Skills

Web Technology

HTML, CSS, Javascript

MVC Framework

Laravel

Design Software

Figma, Adobe Photosop

Database Management

MySQL

Programming Language

C, C++, PHP, Java

Version Control

Git

Enthusiastic and dedicated computer science student seeking an intern position as a developer. I am eager to apply academic knowledge and hands-on programming skills in a challenging real world environment. A quick learner with a passion for solving problems through innovative coding solutions, also excited to contribute to a dynamic team and grow as a developer.

Education

KIST College

Bachelor in Information Technology

Bachelor

CCRC

Science

High School Degree
